Dear Student, Parent or Guardian

I have today received the guidance from Ofqual regarding the award of final grades for those students who would have been sitting final assessments in GCSE, AS and A level, Extended Project Qualification and Advanced Extension Award in maths.

You will appreciate that it is too soon for us to have digested this fully and to have considered all the implications in full. However I am eager to ensure that you have relevant information at the earliest possible time and so a letter from Ofqual to students explaining their proposals can be accessed using this link:

Please note that they have still **not** determined final arrangements for other qualifications, including applied courses (BTEC and similar). I will share this with you as soon as I have it.

Once we have digested the detail of their instructions and determined what impact, if any, it will have on what you need to do prior to the conclusion of your course I will inform you. In the meantime please can I ask you to continue to complete any work set by your teachers.

Best wishes
Ed Senior
