2 BLOCK COURSE**

CAMBRIDGE TECHNICAL DIPLOMA IN PERFORMING ARTS

The Diploma is a Level 3 course. If you want to study Dance, Drama, Music or Music Technology full time then you can by opting for the 2 block Cambridge Technical Diploma in Performing Arts, alongside a 1 block A Level or BTEC in your chosen subject.

With the Diploma in Performing Arts you are able to opt for one of the following pathways:

ACTING

This pathway will prepare students for the modern demands of the acting industry. They will learn how to develop acting techniques, hone their performance skills and explore script writing and theatre directing.

MUSICAL THEATRE

A key term in musical theatre training is learning to be a 'triple threat performer' with the ability to act, sing and dance to a high standard. We ensure that students have the skills and experience to build a successful career in Musical Theatre.

DANCE

This pathway will prepare students for the demands and exhilaration of showcasing live performance. They will build a strong foundation in dance techniques, develop choreography skills and immerse themselves in professional dance works.

MUSIC

Students can focus on creating music, mastering techniques as an instrumentalist, producing music using technology, singing or performance. There is also the chance to explore song writing and managing the equipment used in the music-making process.
