

# Children Looked After Policy (CLA)

Previously known as  
Looked After Children  
(LAC)

**November 2023**

## **Introduction**

Worcester Sixth Form College is an inclusive college and supports all vulnerable learners to enhance their experience, development and progression opportunities. The College believes in opportunities for all and constantly strives to remove barriers for learners who have learning difficulties and/or disabilities, or been subject to negative life experiences: social, emotional and educational. The Policy relates specifically to learners who are Looked After (CLA) previously known as Looked After Children (LAC). Worcester Sixth Form has established a strong position from which to fulfil its responsibilities to prepare students to participate fully in education programmes to enable them to maximise their future success.

The College has developed strong relationships with Worcestershire Local Authority and neighbouring Local Authorities. This expresses the commitment in working together. As partners we endeavour to ensure that Young People in care and Care Leavers achieve the best possible outcomes in post 16 education.

This policy supports the engagement, admission support and progression of CLA/CL, whilst developing a consistent approach will provide these learners with an excellent learning experience whilst studying at the College, as well as providing them with skills to succeed in their lifelong learning and wider life experiences.

## **Colleges Responsibilities**

The Colleges vision for CLA/CL is to provide them with the necessary support and guidance to achieve and progress to higher education, apprenticeships and training as well as becoming prepared for wider life experiences equal to those of their peers.

To enable CLA/CL with equal opportunities there is a need to identify them at the earliest opportunity in order to provide them with an individual tailored experience from pre-entry interviews to enrolling onto courses.

Therefore, the college aims to provide the following support to all CLA/CL:

1. Ensure transition activities such as Open Events, Taster Days and induction sessions are accessible.
2. CLA/CL interviews to be carried out by DSL or Designated Lead for CLA/CL.
3. Where appropriate offer flexible application arrangements and interviews
4. Ensuring early identification through applications process, student required to declare CLA/CL and this point admission to notify Designated Safeguarding Lead (DSL) and identified designated lead for CLA/CL.
5. Encourage access to FE/HE and include them as specific target group.
6. Ensure information on the full range of support available to CLA students is readily and easily accessible (financial, pastoral and academic)

## **Our Approach to Best Practice**
