

## Revision Support Information for Parents/Carers

Students have revision booklets and further support information on Teams

Subject	Subject support details
Core Maths	<b>Examination Board – Edexcel</b>
	Level 3 Certificate in Mathematics in Context
	7MC0-01 Paper 1 – Comprehension (1 hour 40 mins) 40%
	7MC0-02 Paper 2 – Applications (1 hour 40 mins) 60%
	Exam questions and mark schemes are available via class Teams
	<b>Key revision/course support:</b> Revision notes from class teacher Support materials on Teams – these include worked solutions for all homework and assessments <b>Revision booklets on class Teams</b> <b>Revision websites:</b> <a href="https://sites.google.com/view/tlmaths/home/core-maths-level-3-certificate">https://sites.google.com/view/tlmaths/home/core-maths-level-3-certificate</a> <a href="https://www.youtube.com/playlist?list=PLid4zUZb9EOUZIQEHWYG8Pw6E58lcZ6wJ">https://www.youtube.com/playlist?list=PLid4zUZb9EOUZIQEHWYG8Pw6E58lcZ6wJ</a>
	<b>Top strategies for final exam preparation (students should already have consolidated their course notes and flash cards)</b> The best way to learn maths is to do it. Work as many past papers as possible. Identify questions you cannot do and go find out how to do them. Ask the internet, ask friends, ask your teacher. Learn your revision cards. Learn how to use your Classwiz calculator. Complete the weekly homework tasks to the best of your ability. You can always revisit these for revision. The Source Material booklet for paper 1 will be published about a month before the exam. Students will be given a copy of this, and we will spend lesson time using the sources for revision. Students should spend time familiarising themselves with the content of these sources. Full attendance to the last few lessons will be vital in preparing effectively for the exams.
