| | Top strategies for final exam preparation (students should already have consolidated their course notes and flash cards) <ol style="list-style-type: none"> 1. Look at and act on feedback from mocks in class (use feedback sheet) 2. Practice past papers and ask teacher to mark it for you 3. Practice questions (essays or 10-markers) and hand in for feedback from teacher 4. Look at a past paper and bullet point the answers and then check against the mark scheme 5. Form a study group with peers and test each other. 6. Do short answer questions in your study group and mark each others 4 and 6 mark questions using the mark scheme. 7. Read through the model scripts you have been given. 8. Sign up to the Tutor 2 U Revision Blasts for each paper on Youtube and watch and engage with activities. |
