

## Revision Support Information for Parents/Carers

Students have revision booklets and further support information on Teams

Subject	Subject support details
Geology	<b>Examination Board - OCR</b>
	Paper 1 – Fundamentals of Geology
	Paper 2 – Scientific Literacy
	Paper 3 – Practical Skills in Geology
	Exam questions and mark schemes are available via class Teams or the OCR Website <a href="https://ocr.org.uk/qualifications/as-and-a-level/geology-h014-h414-from-2017/assessment/">https://ocr.org.uk/qualifications/as-and-a-level/geology-h014-h414-from-2017/assessment/</a>
	<b>Key revision/course support:</b> All PPTs are available on Teams <b>Revision booklets and activities on class Teams</b> <ul style="list-style-type: none"><li>- Homework revision booklets</li><li>- Topic summary booklets (generic- not tailored to OCR but very informative)</li><li>- Topic knowledge organisers</li></ul> <b>Revision websites:</b> Due to the small number of students that sit this course, there are no specific revision websites, however there is a website that has some flashcards tailored to the specification <a href="https://www.brainscape.com/packs/geology-a-level-ocr-20821042?origin=genome">https://www.brainscape.com/packs/geology-a-level-ocr-20821042?origin=genome</a>
	<b>Top strategies for final exam preparation (students should already have consolidated their course notes and flash cards)</b>  -Practice questions downloaded from the OCR website. Initially use support when completing questions by referring to your notes or try to find the answer in a PPT. Then, when you are becoming more confident, start completing papers without any support.
